Rundle College Junior Senior High is a university preparatory school for grades 7 to 12. The program follows the Alberta Education curriculum and is enriched at each level to provide challenge and rigor to support the post-secondary aspirations of our students.

Academic class size is capped at 14 students per class. Students choose between several complementary courses to complete their timetables and are provided outstanding opportunities to balance their classroom learning with extracurricular sports, fine arts, clubs and travel experiences. The culture of Rundle College focuses on developing character and citizenship through ample opportunities to become involved in volunteerism and leadership.

Our mission is to create a nurturing, engaging environment that provides an enriched, personalized education, preparing students for an ever-changing world.

We are seeking an energetic, empathetic, flexible, tech-savvy individual to start a permanent Junior High Math & Science contract starting in August 2017. Potential candidates must hold a valid Alberta teaching certificate and be able to provide a current *Police and Vulnerable Sector* check. A letter of application accompanied by a resume and the names of two referees can be forwarded to Ms. Alana Hayman, Science Department Head, to hayman@rundle.ab.ca.

Thank you for your interest in Rundle College, however, only those applicants selected for an interview will be contacted.
