

Rundle College 2017/2108 Fall/Winter* Additional Program Offerings

At Rundle, we believe that a well rounded educational experience enables our students to grow and flourish. We also recognize that sometimes great learning can also take place outside of school hours. To support the vision of helping students to find their passions and engage in a well rounded pursuit of education, Rundle College is pleased to offer numerous additional programs available to your child.

***Spring program registration available November 2017**

BEFORE AND AFTER SCHOOL CARE PROGRAM

Our innovative Before and After School programs are available for students in grades K to 6 at Rundle College Elementary School. All of our carefully designed programs infuse academic enrichment and art with play, wellness and physical activity.

Before School Care is offered daily from 7:00am until classes begin. After School Care program is offered from the end of the school day (immediately after dismissal bell rings) until 5:30 daily. On Fridays, our After School care begins immediately after early dismissal.

For information about Before and After Care, please contact [**beforeandafter@rundle.ab.ca**](mailto:beforeandafter@rundle.ab.ca)

CURIOSITY CAMPS AT THE c.Lab at RUNDLE:

The c.Lab at Rundle offers unique programs, camps, clinics and workshops that cultivate curiosity and ignite passion for students in grades K to 6. These specialty programs are offered various times throughout the school year as well as in the summer. Curiosity Camps may include:

- Robotics
- Maker Madness
- Tinker with Tech
- Coding
- App Development
- STEM
- Artistic Endeavors
- Dance (Hip Hop, Jazz)
- Design Thinking
- Innovation, Business and Entrepreneurship

For information about the c.Lab at Rundle, please contact [**becurious@rundle.ab.ca**](mailto:becurious@rundle.ab.ca)

JUNIOR COBRAS SPORT PROGRAM:

The Rundle College Jr. Cobras Sport Development Program is designed to develop fundamental skills, sportsmanship, and a love of sport, focusing on basketball, volleyball, wrestling and rugby/football.

Rundle College's grassroots initiative has been developed to empower our Rundle College Community to positively influence our youth through sport and build an exceptional athletic program at Rundle.

The programs will be offered twice per week and divided up by division. Basketball and volleyball will be offered in separate groups for girls and boys, whereas wrestling, rugby and football will be co-ed by division.

For information about the Junior Cobras Sport Program, please contact [**jrcobras@rundle.ab.ca**](mailto:jrcobras@rundle.ab.ca)

Rundle College 2017/2108 Fall/Winter Additional Program Offerings

Please check the boxes on the right hand side for programs you wish to register. **PLEASE NOTE** the Curiosity Camps and Junior Cobras programs will not overlap so students may participate in both.
