Rundle Academy

Rundle Academy Three Year Education Plan Goals

Notes

- The indicator for Acceptable Standard is above 50% and for Standard of Excellence is above 80%.
- Special Education (Spec. Ed.) refers to the education of students identified with mild, moderate or severe disabilities or as gifted and talented. Included in this definition are students with learning disabilities which refer to a number of disorders that affect the acquisition, organization, retention, understanding or use of verbal or nonverbal information.

Goals

- On provincial achievement tests (PAT) for Grade 6 and Grade 9, Rundle Academy will:
 - have 100% of its students achieve the Acceptable Standard.
 - have 20% of its students achieve the Standard of Excellence.
 - score 5% higher than the province on average PAT grade.
 - achieve the highest marks of all special education programs in the province.
- On diploma examinations, Rundle Academy will:
 - have 100% of its students achieve the Acceptable Standard.
 - have 20% of its students achieve the Standard of Excellence.
 - score 5% higher than the province on average diploma examination grade.
 - achieve a discrepancy of less than 10% between the diploma examination mark and the school-awarded mark.
